# HIGH QUALITY FLUSH SIDE ACCESS DOOR

Engineered for strength, built for performance. Our High Quality Flush Side Access Door delivers a perfect blend of durability, insulation, and security for your truck body or commercial application.

### 30MM XPS INSULATION
High-performance XPS core for excellent thermal efficiency and lightweight strength.

### FULL SUPPORTING FRAME
Strong, fully welded aluminium frame provides superior rigidity and long-term durability.

### SECURE LOCKING SYSTEM
Flush lockable stainless steel latch with internal cam-lock for added security.

### FULL LENGTH PIANO HINGE
Heavy-duty stainless steel piano hinge for smooth operation and maximum strength.

### INNER PINCH SEALS
Continuous inner pinch seals help prevent water and dust ingress, protecting your load.

### TRAFFIC WHITE FINISH
Premium Traffic White finish for a clean look, UV resistance, and easy maintenance.

LIGHTWEIGHT BODIES

SMARTER. LIGHTER. FURTHER.
